INTRODUCTION

INTRODUCTION

Michael Linda Mann, a UFO researcher, echoes what so many experts have stated, “The coming alien appearance on the world scene will be one of the most tremendous and perhaps shocking revelations in the history of all mankind. For all intents and purposes, it will change everything we call knowledge. It will radically change history and affect all the world’s religions.” Can you imagine the reality of that statement? The producers of *UFO and Paranormal Phenomena* confirm once again what I believe could be Satan’s greatest stunt yet. They said, “Extraterrestrials are about to reveal their influence on the developments of mankind. Their disclosure will shake the foundations of science, history and religions.” This revelation will allow the world to boast of having their own gods and

that the God of Christianity is one among many in the universe.

These extraterrestrial beings will confirm and upgrade all New Age religions and scientific breakthroughs concerning life and death, as well as release a supernatural power in our human nature. Dr. Jon Klimo, from the University of Rose Bridge, says that “in our lifetime we will be obligated to rewrite the Neutron-physiology, Biomedicine, Psychology, Physics and History books.” Klimo also says that “a scientific revolution awaits mankind.”

For a short time, (seven years known as “The Great Tribulation” Period) when the Antichrist arrives via UFO, the world will be deceived into rethinking human existence and most of all religion, especially Christianity. The truth will prevail at the second coming of Jesus Christ, who will establish God’s eternal plan forever.

What you are about to read is presented as theory.

I will be revealing all the scriptural possibilities of this event that may occur during the next few years, being that there are now dozens of signs that point to this moment of time. I acknowledge that this teaching is foreign to most of us in the church who have not taken the time to examine the different ways the Antichrist may make his appearance on Earth. But because of all the UFO sightings, and reported alien abductions, as well as every other movie having to do with aliens, someone has to confront the issues and present the possibilities of these events from a biblical point of view. So if I sound as if I am totally convinced during my presentation of thoughts on this subject, it is only because I see the scriptural possibility, but also admit that the arrival of the Antichrist on the world scene could be very different than what I am about to present. Be certain of this one thing, if the Lord would not cut

the time short, even the very elect would be endangered of being deceived.

The truth is the appearance of the Antichrist is a biblical doctrine, but how he makes his appearance and where he comes from remains a theory. Much like the doctrine of the rapture of the church, whether it happens before the Great Tribulation, in the middle of the seven year period, or you are convinced that the rapture will take place at the end of that awful time. No matter what you think, when the rapture will take place remains a theory. Therefore, this book presents one of many theories that I believe is possible only in modern times.

The appearance of the Antichrist via UFO will be the first and beginning of many lying wonders that will sweep the world's multitudes into eternal damnation. No political or religious figure has been able to gather and amaze the nations, nor will they be able to, unless something rare happens that I believe can only take place

through this event that is about to reveal and trigger the commencement of the worst seven years mankind has ever experienced.

The world has never seen an earthquake that will destroy many of the Earth's coastal cities, a meteor hit that will eliminate a third of the worlds ships, the literal death of one third of the over six billion humans inhabitants, or the mass murder of millions who will not take the mark of the beast, and the worldwide introduction of the most denied modern phenomenon, the UFOs. Very soon all this will spill out into the history books and all these events will be witnessed by mankind for the first time ever. Therefore, let us be very careful in writing off this extraordinary, but very possible, theory.

WE CANNOT BE TEMPTED

WE CANNOT BE TEMPTED

If you do not believe in the existence of extraterrestrial beings, you are safe for the moment, but be on the alert for some sudden surprises. The fact that you do not believe in their existence does not mean they do not exist. It merely buys you time before you have to deal with this rising phenomenon that is engulfing our world. The Bible states in I Corinthians 10:13: “There hath no temptation taken you but such as is common to men, but God is faithful who will not suffer you to be tempted above that ye are able but will with the temptation also make a way to escape, that you may be able to bear it.” If indeed people around the world are sighting UFOs, being visited or taken up by extraterrestrial beings, there must be a biblical explanation. The Bible declares that, humanly, we cannot be tempted with anything that is not common unless it can be explained in God’s purpose. In other words,

anything that the Devil may use to deceive us or confuse us must be within the covering of God's will.

Evil forces cannot introduce things in our lives that are outside the dimensions that God does not allow. That is important for us to know, especially when we consider that God has not revealed anywhere near the mysteries that we can even imagine, mysteries that angels (good and bad) have witnessed throughout the past ages. Therefore, if this UFO and alien phenomenon is real, it has to be played out within God's plan.

It is no secret that this phenomenon is being exposed to hundreds of thousands of persons around the world. It has been reported by very credible television channels such as the Discovery Channel, the History Channel, the TLC Channel, the A&E Channel, the Travel Channel, and the Public and Educational Channels, not to mention the countless reports made by the major news channels and television

programs along the lines of *Unsolved Mysteries*, *Dateline*, and documentaries by the late Peter Jennings, Bryan Gumbal and many others. One out of every seven television programs, advertising promotions and theater movies has to do with aliens, UFOs and outside forces. At no other time in history have these strange sightings and visitations been reported in such great numbers.

There are many things outside the natural arena of men that cannot be seen, yet can be explained in the revelation of God's purpose. Still there are many things outside the natural arena of men that can be explained without a revelation from scriptures, but is in the permitted will of God. For example, in the last chapter of the book of Daniel, the prophet states, "Two of the signs that will occur during the last days will be the increase of knowledge and the other the increase of travel." This is not stated in exact detail, yet we now have cars, airplanes and too many modern inventions

to name. The fact is that even though they were not mentioned specifically in the scriptures, it does not mean they do not exist or that they are not biblical. Much the same way, we know the Bible declares that the Antichrist is coming, but does not state how he will arrive. If he were to make his appearance in a UFO, it would not only bring great amazement (a known biblical fact that the Antichrist will try to deceive the world), but the majority of people will be tempted to rethink history, religion, and their worldview.

There is the other side of the unseen forces that are biblical, yet have eluded the sight of man for centuries, including the Christian Church. The Bible claims their existence and reveals how they operated in our world and in every civilization throughout the history of mankind. I am referring to the reality of Satan, devils and demons. While we can say they do not exist and therefore do not have to deal with it, it does not

change the fact the scriptures declare that we wrestle not against flesh and blood but against principalities, powers, demons, rulers and wicked spirits in heavenly places (Ephesians 6:12). These powers have influenced governments throughout history, as well as inspired every false religion known to man through a constant series of thoughts that are accepted by man as his own, which are later formed into doctrines and developed into false religion, moral philosophy and oppressing political powers, as well as the incarnation of sicknesses and diseases which I have seen around the world.

For example, I was in Cuba and I had arrived at my aunt's house from a church meeting. When I walked in at one o'clock in the morning, my aunt told me there was a lady that had been waiting for several hours to see me, so that I may pray for her. I was tired but agreed to pray for her, thinking that it would take just a few minutes. When she walks in, she comes dragging one of her legs and

her arm was curled up, much the same way as with a person who has had a stroke. I started to talk to her and the Holy Spirit indicated to me that this girl had a spirit of hatred. I asked her if she had unforgiveness or hatred toward anybody and to my surprise (being that I was tired) she responded yes, and I immediately commanded the spirit of hatred to come out of her. Immediately she fell to the floor and started to swerve like a snake while foaming at the mouth. I once again commanded that demon to leave her. She lay still for a few moments until I grabbed her hand and helped her up. When she got up, she was completely healed of the infirmity in her arm and leg.

There was another time when I received a call to go into a mental ward to see a man that had been arrested for sexually abusing his thirteen-year-old stepdaughter. When I was allowed to see him, the Spirit of God had already indicated to me to cast out the spirit of drunkenness and sexual

perversion. As I talked to him in the visitation room, it was apparent to me that I was not going to be able to have private time with him. So I proceeded and quietly said to him, “In the name of Jesus, you spirit of drunkenness come out of him.” Immediately he threw up a smelly drool (very common in cases of demon possession) and without further hesitation I said to him once again, “In the name of Jesus, you spirit of sexual perversion come out of him,” and he responded in the same fashion, never again to be bound by those symptoms, and he was fully restored to his family. These scenes have been reported dozens of times in my ministries and in the lives of believers around the world.

It was one of the many things the church was commanded to do by Jesus in Mark 16:15 (“In my name you shall cast out devils”). Now, you may argue all you want and tell me that devils do not exist, but it does not change the fact that they are real and they influence our lives everyday.

Therefore, we must truly evaluate this UFO phenomenon and determine the scriptural possibilities. Simply because all over the world people are reporting UFO sightings and many are claiming to have been abducted by aliens. Along with that, all the movies and commercials being produced can not be a coincidence. Something smells fishy; I discern a plot forming by the master of all deceit, Lucifer, better known as Satan, the father of all lies. So the matter of fact is if they are real they have to be explained biblically, and if they do not exist, mankind cannot be tempted by this phenomenon in any form or fashion. That goes for Christians as well as non-Christians alike.

FILIBERTO CARDENAS

FILIBERTO CARDENAS

Filiberto and Iris Cardenas are friends of mine who experienced in 1986, before becoming devoted Christians, a total of twenty-eight alien and UFO encounters. The details of their encounters are duplicated hundreds and thousands of times in the lives of people from all walks of life throughout the world for the past several decades and will be more and more common as the second coming of Christ nears. Therefore, there has to be a logical and biblical explanation for this interruption by outside forces in the lives of so many and for the possible interruption by these same forces in the coming world events.

I met the Cardenas family when I was vice president of a church planting organization called Casa Del Joven. I can testify that this family has nothing to win by disclosing the following events and to this date they have not made any profit

from their experience. I have interviewed the family several times and have had fellowship with them on many occasions.

Their stories have remained consistent, even when I interviewed their daughter, who was a teenager when I met her.

Filiberto and his wife Iris, along with their daughter Barbara, were living in Hialeah, a suburb of Miami, Florida. On a Saturday afternoon they were traveling on highway 27 en route to a farm to buy a hog for a special event. This practice is common for Latin people who travel to urban areas in search of a hog farm where they select a hog, have it butchered, cleaned and brought to be roasted at their homes. Filiberto explains that a short while after having left the main road, his station wagon started to stall for no apparent reason. He parked the car on the side of the dirt road and went outside to pull up the hood of the station wagon, when all of

a sudden he saw the reflections of all sorts of lights all around him and at the same time he could hear a terrible humming noise. Without any notice, he started to be elevated upward, hearing his wife and daughter screaming for help, and with every passing second he saw his station wagon becoming smaller and smaller.

As he was being taken up, he was not able to move his body even though he was fighting for his life until he fainted, only to be wakened in a very strange place.

Meanwhile, Iris called the sheriff to report the disappearance of her husband and the strange occurrences that had taken place. The sheriff department filled out their paperwork, baffled by the hysteria of Iris and her daughter and what they had just reported. After having waited for what seemed an eternity, Iris was forced to go home because of her concern for her daughter. It was dark and getting late, and the officers could

not stay. The case was reported immediately to NASA, who started an investigation of their own, and when Filiberto reappeared, they thoroughly examined him and came up with some very interesting conclusions.

They reported that Filiberto had a strong odor of sulfur and that he had been probed with what seemed to be needle punctures. They concluded that he had an encounter with the Third Kind.

When Filiberto came to his senses, he encountered aliens both in male and female form, much like we have seen them described over and over by witnesses from around the globe (what a coincidence) with the same slender eyes that have become the universal trade mark of identifying these aliens. Filiberto reports that the language they spoke sounded like the German tongue, but he could not be sure. He also stated that these beings had mouths but communicated with him with their minds, and it seemed to him that they knew everything he was thinking. They first

spoke to him in English and then realized that he was not fluent in that language and without further ado they started to communicate with him in Spanish.

He goes on to describe that he was made to feel welcome, yet he argued within himself because he was brought there against his will. They informed him that he was in some sort of aircraft and that he was to be transferred to a smaller vehicle and taken to an undisclosed destination. Without much to say in the matter, he was placed and secured in the smaller vehicle and departed at a high rate of speed from the larger vehicle, yet he was able to see where they were heading.

Filiberto explains the first step of the trip as being somewhere in Peru or maybe Ecuador, and the reason why he believed so was that he could see high mountains, and on the mountains he could see llamas, which are common in that region of

the world. All of a sudden, he could see an opening in the mountains where several other UFOs came out of and together they headed toward the sea, making a fast decent through the waters into what seemed to be a dark tunnel.

When they arrived at their destination, Filiberto could smell what seemed to be an odor of sulfate that gave him the impression he was taken deep down into the middle of the Earth. He was extremely bewildered to see a small city with dark lights all over. He was taken from the ship, not knowing at the time, but later it became clear to him that he was led down a path into a gated entrance.

Standing at the entrance, he noticed snake-like figures at each side of the door, all the while thinking what the purpose of all of this was. He was brought into the presence of another being that was not like the other aliens. Later in conversation, this person admitted to being a

human, and that he was being prepared along with many others for a great mission on Earth at an appointed time and that he too would be trained if he would agree. He was later taken to a laboratory where they ran numerous tests, then prepared him to be taken back. He was instructed that all he had to do to communicate with them was to call them with his mind and they would instruct him on what to do.

He was taken back to Miami and released, yet he could not remember all the details at first. He called his wife from a 7-11 convenient store and told her to pick him up close to the location where he was originally taken from after he had asked someone for the exact address. His wife arrived along with the police. He was taken to a local hospital to be examined, and sure enough they discovered several important facts.

The findings collaborated with his story. He had a strong odor of sulfur, his body seemed to have

been tested upon and it was apparent that he had experienced an extraordinary encounter. NASA came to interview and examine him. After being questioned by many scientists, NASA officially acknowledged that Filiberto had an “Encounter of the Third Kind.”

Filiberto was tempted to make contact with these outside forces after the shock of the initial experience of the first trip had worn off. Maybe he was trying to confirm his past experience as a dream. To his amazement, when he used his mind to contact them, he started to receive messages from them and was taken up for a total of twenty-eight times, including three times with his wife. She tells her own account of how they were taken up into the UFOs and were allowed to literally touch the aliens, among other things.

Filiberto and Iris had no peace within themselves concerning these encounters considering how

they began to notice these beings would control their minds involuntarily, the way they transformed themselves to look younger or older, as well as all the secrecy surrounding them and their plans to make an appearance in the world scene. These encounters of the Third Kind launched them in search for answers until they had a supernatural experience with God, becoming born-again Christians and understanding God's purpose for their lives. Filiberto and Iris have given their testimony many times, realizing that they would be ridiculed by many, yet they would not be able to deny what they had experienced.

The question now is this: Is there scriptural basis for what happened to them and what was coming upon the face of the earth? The answers to these questions and more are not only important to Filiberto and his family, but also to you and me, as well as the rest of the world.

Because whether you believe them or not, what they experienced has been repeated in the lives of countless individuals and families throughout the world. And it seems that no one has a biblical explanation for their encounters or answers to many more questions. What are we to do? How are we to prepare ourselves and our loved ones for the things that are about to come upon the face of the earth? What part does the church play in all this? Why has our government denied these encounters all over the world? Are they involved in anyway? One thing that is for sure is that we cannot be tempted with what is not common to man, 1st Corinthians chapter 10 verses 13. In other words, if these encounters are true, they must have a place in God's end-time purpose.

IS IT SCRIPTURAL?

IS IT SCRIPTURAL?

When considering this UFO phenomenon, we must remember that all things in the universe were created by God and for God's purpose. The scriptures are very clear about this; there is no outside chance that there may be another god that has not been discovered or waiting for us to run into him as we have seen for the past four decades on *Star Trek* and *Deep Space Nine*. In this case, life in other forms is coming to visit us now in UFOs and in alien figures, as if God was not in control or aware of all the extraterrestrial activities. Examine the following scriptures and be convinced on this matter. These are just a few among many:

“For of Him, and through Him, and to Him, are all things: to whom is glory forever. Amen.”

Romans 11:36

“In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by Him; and without Him was not anything made that was made.” John 1:1-3

“For by Him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by Him, and for Him.” Colossians 1:16

UFOs may have caught us by surprise, but they have not caught God off guard. He knows about them and is allowing them to work for His purpose and in our lives.

The very fact that we have to investigate this matter, because of all the sightings and abductions, proves that God is allowing it, whether we believe in them or not.

The Apostle Paul says: “Therefore let no man glory in men. For all things are yours; whether Paul, or Apollos, or Cephas, or the world, or life, or death, or things present, or things to come; all are yours” (1 Corinthians 3:21-22). God has chosen to work through His church (Ephesians 3:10) and nothing in which we may be tempted with can be uncommon.

Therefore, there has to be a scripture explanation. Romans 8:38-39 says: “For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.”

We can rest assured that this phenomenon is an end-time diabolical plan to deceive the world and its inhabitants. Ephesians 6:12 states, “We wrestle not against flesh and blood, but against

principalities, against powers, against rulers of darkness of this world, against spiritual wickedness in high places.”

Due to the growing amount of facts, exposure and testimonies on this subject, it is highly probable that this UFO phenomenon will be the means the Antichrist will use to make his debut here on Earth. There is no doubt that the spirit of lawlessness is already at work in every area of life. This spirit of lawlessness will bring the One World Government, the apostasy of the church, moral decline, violence and the introduction of aliens to our society.

We can discern that we are being conditioned to accept this phenomenon, especially through the media blitz presenting it as life from another planet, “life outside of God,” etc., when in fact there is a satanic plan being brewed up in the very abyss (the center of the Earth) where Satan and

his forces have been allowed to live and rule until his time runs out. Meanwhile, he is busy doing what he does best and that is to deceive.

Revelation 20:3-10 says, “That he should deceive nations no more,” and, “The devil that deceived them.”

Revelation 12:12: “Woe to the inhabitants of the earth and the sea! For the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time.”

When Filiberto testified that he was taken to the middle of the Earth and claimed that there was life there, the following scripture brings new light. For example:

Ephesians 4:9 says: “He also descended first into the lower parts of the earth.”

Romans 10:7 states: “Who shall descend into the deep?”

Philippians 2:10 says: “that at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth.”

We start to notice all the scripture references in another dimension that we have been totally ignorant of, such as the underworld (things under the earth), including life in a perverted form, as we examine the following scriptures.

Revelation 5:3-13 and 17:8 reads, “And no man in heaven, nor in earth, neither under the earth” and “every creature which is in heaven, and on the earth, and under the earth, and such as are in the sea, and all that are in them.” It’s almost

mind blowing to see how clear and detailed these scriptures concerning life in the underworld are. And finally look where the Antichrist appears from in Revelation 17:8: “The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit.”

Therefore, it is clearly evident that there is life under the Earth and what my friends Filiberto and Iris saw when they were taken against their will was not a figment of their imagination, but a biblical reality that is now being revealed in God’s timing. You did not think that these strange beings could exist? How could this be?

“Be not forgetful to entertain strangers: for thereby some have entertained angels unawares” (Hebrews 13:2).

In other words, angels have the capability to change their form into another form without us

being aware, which leads us to believe that fallen angels have the same ability. A recent example of this reality is confirmed by a brother in Tampa, Florida who had the habit of taunting and mocking the devil. While we have authority over the devil, we are not to play games with him; he is an adversary to be dealt with in a very serious manner. This brother would always say, “Devil, you are under my feet; devil, you are underneath me,” but he would do it in a way that made anybody feel uneasy.

One Wednesday night as he was leaving church, he testified that a beautiful blonde lady was on the corner of the church asking for a ride. He goes on to say that he and this lady ended up in a hotel room.

In the middle of this sexual experience when the lady was on top of him, suddenly a man’s voice comes from the mouth of the lady and says, “Who

is on top of who now?” and she disappears into thin air. This is just one example of many that I can mention. Let us examine the following scripture in light of what has already been said.

“And no marvel; for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works” (2nd Corinthians 11:14-15).

Do you know that everything God is and does the devil tries to imitate, being that Satan has no power to create? For example, he wants to be recognized as God, he wants to rule the world, something that Jesus is going to do when He returns, and the list goes on from miracles to tongues, to fortune telling, religion and on and on.

Therefore, aliens, as we will see in another chapter, are demons transformed into angels of

light who will attempt to take total control of this world for a period of time approximately three and half years to seven years in what is known biblically as “The Great Tribulation.” So when asked, “Are aliens and UFOs scriptural?” we must say yes because of all the biblical possibilities and natural evidence. I will confirm it further in a later chapter from the Book of Revelation.

It is important that you recognize the facts concerning the underworld, because automatically we have been led to believe that these aliens are from another planet, when in fact the Bible tells us where they are coming from.

It’s the same place Jesus was taken to by Satan and his demons after his death; it was and it is still a real place. Jesus said that as Jonah was in the belly of the whale for three days and three nights so would the Son of Man be in the middle of the earth, also known as the underworld.

For as Jonas was three days and three nights in the whale's belly, so shall the son of man be three days and three nights in the heart of the earth (Matthew 12:40).

It is the place where Satan rules from and has his headquarters. You may ask yourself, “Is this possible?” You will find in the book of Saint Luke, chapter 16:19, that an actual city held all the Old Testament saints and that city was located in the middle of the earth. This place is known as paradise and in it lived millions of saints who were waiting for redemption.

“And it came to pass, that the beggar died, and was carried by the angels into Abraham's bosom: the rich man also died, and was buried; And in hell he lift up his eyes, being in torments, and seeth Abraham afar off, and Lazarus in his bosom. And beside all this, between us and you there is a great gulf fixed: so that they which

would pass from hence to you cannot; neither can they pass to us that would come from thence” (Luke 16:22-23, 26).

In this place there were all the comforts of eternity as we see in those scriptures until Christ literally transported it to heaven, as seen in Ephesians 4:8-10: “Wherefore he saith, when he ascended up on high, he led captivity captive, and gave gifts unto men. (Now that he ascended, what is it but that he also descended first into the lower parts of the earth? He that descended is the same also that ascended up far above all heavens, that he might fill all things).”

So if this place, called Paradise, which held millions of people who had died throughout the centuries, was located in the middle of the earth, it is also possible for Satan to have a place other than hell as we saw in the scriptures that we read earlier. Once again we see the possibility that Filiberto and Iris were taken there, even though

the details of this place are scattered throughout the Bible. Once they are studied in light of the subject, however, we can grasp a clear understanding on how they related to aliens and UFOs.

Finally, the last thing to deal with is if UFOs are biblical. We have proven from the scriptures that aliens can be seen in the scriptures and that the underworld is a real place, but what about UFOs? While the Bible does mention different supernatural forms of transportation, such as the chariots in the book of Zechariah, and different movements of lights, such as the one that the Apostle Paul experienced on the road to Damascus, there is no clear revelation of UFOs.

In the generations that the Bible was written, automobile or airplanes were not revealed in scripture. Does that mean that they don't exist or that they are not real? Nonsense! That thought

can also be applied to most of our modern technology, as well as to UFOs. Therefore, to discredit this theory on the basis that you cannot find UFOs in the scriptures, it does not take away from the fact that the Antichrist is coming and the way he will make his entrance is still up in the air (if you get my drift!).

ARE WE BEING PREPARED?

ARE WE BEING PREPARED?

The mystery of lawlessness and iniquity has been at work since the fall of Lucifer from heaven, as well as Adam's decision to surrender his authority to Satan in the Garden of Eden. This mystery continued through the days of Apostle Paul, who wrote about it in the book of 2nd Thessalonians 2:2-12, and the intensity of this mystery is progressing at full speed ahead. The prophetic clock was restarted in 1948 when Israel became a nation and this mystery has accelerated until its purpose is consummated at the revelation of the Antichrist. So if we are being prepared for this event, how are we being prepared?

“That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as the day of Christ is at hand. Let no man deceive you by any means: for that day shall not come, except there come a falling

away first, and that man of sin be revealed, the son of perdition;

Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God. Remember you not, that when I was yet with you, I told you these things? And now ye know what withholdeth that he might be revealed in his time. For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way. And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming: Even him, whose coming is after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved” (II Thessalonians 2:2-12).

As an introduction, the UFOs and alien mysteries were first revealed to us in science fiction movies that made good entertainment, yet it was not taken too seriously.

Then came the actual sightings and followed by the abduction experiences that caused us to question if there is other life in the universe? The who, what and where followed by the doctrine or explanations of UFOs and aliens through television programs such as *Star Trek* in the early 1970s and the introduction of movies such as *E.T.* all bring vision for the future and explanation of purpose. It also brought an acceptance that will be revealed and confirmed when the Antichrist makes his first time appearance in human history. An outside force other than God will clearly be seen by the masses around the world, deceiving the multitudes into following the Antichrist with his new form of religion and government, including the introduction of the mark of the beast. One of the reasons for writing this book is

that if this theory is true, you and your family members will not be deceived when this event comes to pass. If this theory is not true, you lost nothing, other than the time you spent being entertained by this book.

We must understand that even though man has had the ability to create and invent, simply because he is made in the image of God, who Himself is a Creator, man's mind has been darkened by sin and blinded by the god of this world, "Satan" (Ephesians 4:17-18 and II Corinthians 4:3-4). The devil has also inspired every false religion, all atheistic doctrines, including New Age thinking and humanism, by introducing a constant series of thoughts, ideals and worldviews through the hearts and minds of fallen men. All men are tempted by these thoughts and ideals because we have been desperately searching for answers to such questions as why am I here, what is my purpose in life, and where are we going? Questions such

as these can only be answered by the revelation of God's purpose found in His Word.

Yet Satan attempts to bring some type of counterfeit to everything God has done or prophesied to do. For example, the television program *Star Trek* portrays a universe vastly populated by beings of different natures and purpose, each with a different belief in a strange god or gods.

When in reality, at the second coming of Christ, Christ will establish the true purpose of this extensive universe.

Those who have placed their faith in the redemptive work of Jesus Christ will receive a glorified body, such as the one that Jesus received at His resurrection, a body not subject to death that will be able to travel at the speed of light, or the speed of 'thought,' and go right through material substances. This body will no longer be

ruled by the need for food or sleep (even though it will enjoy food and rest throughout eternity), but will also be given the title and function of king and priest of God. These will be known as the Glorified Saints, yet there is another group of people that will enjoy eternal life, and they will be known as the Eternal Natural Generation. This eternal natural generation will have bodies like that of Adam and Eve before they sinned and like that of Jesus before the resurrection, Who unless He had laid down His life, He would still be with us today.

This natural eternal body functions differently; it needs food to function as well as sleep. It also becomes tired and it travels at the natural speed of man unless he gets into a vehicle that travels faster. This generation will be the ones who will eternally populate God's vast universe and have the glorified Saints rule over them as kings and priests.

The Bible states in the book of Isaiah that at the return of Christ, a huge portion of the ocean shall be eliminated, giving this revived race of eternal beings plenty of space to multiply (since death will be destroyed) and carry out God's original plan. That plan is to inhabit the universe using technology to condition man's stay in that part of creation, allowing man to fulfill God's eternal purpose. As long as God and His ways and the things He has made are unsearchable, man will continue to experience new things and will reach out to new frontiers.

The glorified saints that have been made kings and priests will now lead the eternal natural generations to the outermost parts of the universe and will govern them as part of the government of Christ that will have no end.

“Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish

it with judgment and with justice from henceforth even for ever. The zeal of the Lord of hosts will perform this” (Isaiah 9:7).

This is why Christ is called the King of Kings and the glorified Saints will also be kings to govern and priests preach the eternal gospel of Christ in these colonies.

**“That in the ages to come He might shew the exceeding riches of His grace in His kindness toward us through Christ Jesus” (Ephesians 2:7).
“And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth and to every nation, and kindred, and tongue, and people” (Revelation 14:6).**

Regardless what the world believes, Christ Jesus is God and in Him are all the treasures of wisdom and knowledge, for He is the visible image of eternity. For further revelation

on eternity, read my book *Eternity, What Will it Be Like?*

Therefore, Satan has inspired the minds of most Hollywood writers and television producers, imitating God's eternal purpose with Satan's versions. One out of every seven movies, commercials, and video games being produced is now about aliens. Are we being prepared for what is about to be disclosed? Yes, you can bet on it. The UFO phenomenon is now worldwide and growing in acceptance among the movers and shakers of our generation, even though the grassroots movement is really among the common people.

All you have to do is insert the word UFO in the World Wide Web and you will get thousands of hits, not to mention the powerful effect this phenomenon will have on every spectrum of life once it reveals itself. The prophetic message of

these aliens is that they are coming and will take millions from around the world, as if they were imitating the rapture of the church that the scriptures talk about; giving an explanation to the world for the possible disappearance of millions of Christians believers that will be taken before the Great Tribulation Period if the pre-tribulation rapture theory is correct.

“Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord” 1st Thessalonians 4:17.

So the question now is are you going to remain ignorant of Satan’s devices and become a follower of this mystery of iniquity, or are you going to submit to God’s real purpose for your life?

**THEY WERE THERE IN
BIBLE HISTORY**

THEY WERE THERE IN BIBLE HISTORY

“But of that day and hour knoweth no man, no, not the angels of heaven, but my Father only. But as the days of Noah were, so shall also the coming of the Son of man be” (Matthew 24:36, 37).

In order to fully understand what is happening in our generation concerning these strange appearances and weird beings, we need to go back and examine the days of Noah. When we talk about the days of Noah concerning the end-times, we often focus on the behavior of that generation compared to ours, but we fail to see many other things that were happening that will give us greater insight into this phenomenon. Let’s go back and see what was happening alongside the moral decline of that generation.

Genesis 6:1-9:

“And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them, that the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose. And the LORD said my spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years. There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown. And God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually. And it repented the LORD that he had made man on the earth, and it grieved him at his heart. And the LORD said, I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repented me that I have made them. But

Noah found grace in the eyes of the LORD. These are the generations of Noah: Noah was a just man and perfect in his generations, and Noah walked with God.”

Notice that apart from the behavior of that generation, the sons of God (in the context of this scripture, the sons of God are fallen angels) were busy co-mingling with the daughters of men, bringing forth a race of giants as the devil was attempting to pollute the bloodline of the promised Savior in order to block His coming. The appearance of the sons of God was a supernatural manifestation in the lives of a natural generation that also confirms what may be happening in our own generation. The results were met with great damnation on behalf of God on humanity and these angels.

Genesis 6:5-7:

“And God saw that the wickedness of man was great in the earth, and that every imagination

of the thoughts of his heart was only evil continually. And it repented the LORD that he had made man on the earth, and it grieved him at his heart. And the LORD said, I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repented me that I have made them.”

2Peter2:4

“For if God spared not the angels that sinned, but cast them down to hell, and delivered them into chains of darkness, to be reserved unto judgment.”

Jude1:6

“And the angels who kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day.”

The results of this co-mingling brought forth the condemnation of the whole human race in the days of Noah, except for Noah and his family. In the same way, the co-mingling and manifestation of these false angels of light will deceive and cause a great apostasy in our generation. This will cause the acceptance and worship of the Antichrist as he makes his imitation of Christ's appearance in the sky, and the multitudes will eventually be forced to take the mark of the beast and be damned forever.

In the days of Moses, as well as in the days of David, the sons of God and the daughters of men apparently repeated their co-mingling and the result again was the appearance of the race of the giants. Again their appearance was to try to pollute the bloodline of Christ and negate God's desire to redeem mankind. Now many of you who have accused God of being a murderer can understand why God commanded on many

occasions to kill every man, woman and child. If He had not, all the lineage bloodline of which Christ would come through may have been contaminated and all of humanity would have been condemned forever. We find that the scriptures point this out several times throughout the Bible, first during the days of Moses, and then during the time of David. You will find many other references through out the Bible.

Numbers 13:33

“And there we saw the giants, the sons of Anak, which come of the giants: and we were in our own sight as grasshoppers, and so we were in their sight.”

2Samuel21:16

“And Ishbibenob, which was of the sons of the giant, the weight of whose spear weighed three hundred shekels of brass in weight, he being girded with a new sword, thought to have slain David.”

Jesus was not the only one to point out that at the end of this dispensation there would be supernatural visitations as part of a demonic plot that was being applied to deceive all of humanity. In the prophetic Book of Daniel, we will find that in his interpretation of the King's dream, the Lord revealed to him that these same beings will try to co-mingle once again. Let us re-examine these verses of scriptures in light of what we have been talking about.

Daniel 2

“²⁶The king answered and said to Daniel, whose name was Belshazzar, Art thou able to make known unto me the dream which I have seen, and the interpretation thereof?

²⁷Daniel answered in the presence of the king, and

said, the secret which the king hath demanded cannot the wise men, the astrologers, the magicians, the soothsayers, show unto the king; ²⁸But there is a God in heaven that revealed secrets, and maketh known to the king Nebuchadnezzar what shall be in the latter days. Thy dream, and the visions of thy head upon thy bed, are these;²⁹As for thee, O king, thy thoughts came into thy mind upon thy bed, what should come to pass hereafter: and he that revealed secrets maketh known to thee what shall come to pass.³⁰But as for me, this secret is not revealed to me for any wisdom that I have more than any living, but for their sakes that shall make known the interpretation to the king, and that thou might know the thoughts of thy heart. ³¹Thou, O king, sawest, and behold a great image. This great image, whose brightness was excellent, stood before thee; and the form thereof was terrible. ³²This image's head was of fine gold, his breast and his arms of silver, his belly and his

thighs of brass, ³³His legs of iron, his feet part of iron and part of clay.

³⁴Thou sawest till that a stone was cut out without hands, which smote the image upon his feet that were of iron and clay, and brake them to pieces. ³⁵Then was the iron, the clay, the brass, the silver, and the gold, broken to pieces together, and became like the chaff of the summer threshing floors; and the wind carried them away, that no place was found for them: and the stone that smote the image became a great mountain, and filled the whole earth. ³⁶This is the dream; and we will tell the interpretation thereof before the king. ³⁷Thou, O king, art a king of kings: for the God of heaven hath given thee a kingdom, power, and strength, and glory. ³⁸And wheresoever the children of men dwell, the beasts of the field and the fowls of the heaven hath he given into thine hand, and hath made thee ruler over them all. Thou art this head of gold. ³⁹And after thee shall arise another kingdom inferior to thee, and

another third kingdom of brass, which shall bear rule over all the earth. ⁴⁰And the fourth kingdom shall be strong as iron: forasmuch as iron breaketh in pieces and subdued all things: and as iron that breaketh all these, shall it break in pieces and
and bruise.

⁴¹And whereas thou sawest the feet and toes, part of potters' clay, and part of iron, the kingdom shall be divided; but there shall be in it of the strength of the iron, forasmuch as thou sawest the iron mixed with miry clay. ⁴²And as the toes of the feet were part of iron, and part of clay, so the kingdom shall be partly strong, and partly broken. ⁴³And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay. ⁴⁴And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people,

but it shall break in pieces and consume all these kingdoms, and it shall stand for ever. ⁴⁵Forasmuch as thou sawest that the stone was cut out of the mountain without hands, and that it brake in pieces the iron, the brass, the clay, the silver, and the gold; the great God hath made known to the king what shall come to pass hereafter: and the dream is certain, and the interpretation thereof sure.

⁴⁶Then the king Nebuchadnezzar fell upon his face, and worshipped Daniel, and commanded that they should offer an oblation and sweet odors unto him. ⁴⁷The king answered unto Daniel, and said, of a truth it is, that your God is a God of gods, and a Lord of kings, and a revealer of secrets, seeing thou couldst reveal this secret.”

The Lord had given King Nebuchadnezzar a dream that showed him the time line of all the major kingdoms in human history as it relates to Israel and Jerusalem, including details of how all

of it would end. Daniel was called to interpret the dream and he did so exactly how the Lord revealed it to him. Let us take a glimpse and see what may be revealed to us as it relates to the subject at hand. In Daniel chapter two, God revealed to Daniel the major kingdoms in the form of a statue and as well as the timeline of their kingdom. He named the Babylon kingdom as the one being the head of gold, but went on to associate the rest of the kingdoms with a description of a body part and a different natural material for each part.

Even though Daniel was not able to put a name to the future kingdoms, he was able to correctly describe each one with details that we can now confirm as well as we now are able to name those kingdoms. Interestingly enough, we are also able to recognize the last kingdom in the statue and its characteristics. To our further amazement, we must admit that we are living in the days of that

last kingdom in which Daniel so precisely described.

Daniel makes a statement about this last kingdom that has not been understood in times past, but now in light of what we have just discussed and will further reveal in the chapters to come, we can understand it. Let us examine it! Daniel chapter two:

“⁴⁰And the fourth kingdom shall be strong as iron: forasmuch as iron breaketh in pieces and subdued all things: and as iron that breaketh all these, shall it break in pieces and bruise.

⁴¹And whereas thou sawest the feet and toes, part of potters' clay, and part of iron, the kingdom shall be divided; but there shall be in it of the strength of the iron, forasmuch as thou sawest the iron mixed with miry clay. ⁴²And as the toes of the feet were part of iron, and part of clay, so the kingdom shall be partly strong, and partly broken. ⁴³And whereas thou sawest iron mixed

with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.”

The fourth kingdom is made of iron and is the two legs of this statue. This kingdom is known as the Roman Empire that ruled so cruelly for so long. Then the spiritual kingdom that influenced the Roman Empire in the last 1500 years is Roman Catholicism, based in the city of Rome and later was divided when the Orthodox Church was formed and set its headquarters in the city of Constantinople. Then we have the revived Roman Empire with its ten toes, which is the empire of ten kingdoms that will be formed in the times we are living in.

It was necessary for the Soviet Union to fall in order for this empire to reform and create the European Union. It is in this time that we read that a stone not cut out of the hands of men

destroys this last kingdom and Jesus sets up His eternal kingdom.

Notice that the kingdom of the ten toes, which is the same kingdom that we find in the book of Revelation chapter 17 verse 12, is seen as the ten horns, which we find this also in Daniel chapter 2:43

“⁴³And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.”

What is meant by “they shall mingle themselves with the seed of men”? This particular portion of scripture has to do with the satanic plan to mingle these false angels of light with all their trickery to deceive all of mankind in these last days.

The words “they shall mingle themselves with the seed of men” cannot apply to other human

beings, but only to these extraterrestrials that are not really from another planet. These so called E.T.s are now working in cooperation with governments and secret societies to introduce the New World Order.

The New World Order is the global gathering of nations and organizations with one common goal, and that goal is to bring forth the manifestation of the Antichrist and his satanic influences. This plan has been in the works for centuries and now is being realized with the help and support of these supernatural fallen beings that have been working behind the world scene to deceive the great multitude of humanity, who is weary of this world system and is waiting for a savior and a new age.

Therefore, as in the days of Noah, it will also be the coming of the Son of Man, Jesus said in Matthews 24:37. The devil is pushing this alien agenda because he knows that when this mystery

is finally revealed to the world, the multitudes will be easily deceived into thinking that these are beings from other planets and galaxies that have come to enlighten us. These beings will present the Antichrist as the true god of this world, which will cause several billions of people to take the mark of the beast and be condemned forever.

**A 21st Century Theology
Interpretation
of the Book of Revelation**

21st Century Theology Interpretation of the Book of Revelation

The Book of Revelation has eluded most modern Christian understanding for several reasons. The first and major reason has been that we have tried to interpret the book of Revelation using two to five hundred year old theologies. A theology (interpretation) formed before the industrial revolution when the world was still in the dark ages, and not able to consider today's possibilities. Also we must remember that in those days the church was not able to interpret the scriptures as we can today because they had no means of receiving news from around the world as we are able to do so today. Therefore they were not able to correlate biblical prophecy with world events as we are able to do today. Remember that all that prophecy is history (news) told before it happens. Every time that you watch a news cast,

you can see whether a particular prophecy has been fulfilled or not.

If you do not stay informed, you will not be aware of the many prophecies that have been and will be fulfilled in our life time.

For example, there has been a migration of flesh eating birds by the hundreds of thousands to the Middle East region awaiting the great battle of Armageddon. There is the prophetic building project, the dam in Turkey that has the ability to dry up the Euphrates River. Also, not forgetting to mention that in no other time in history has there been the possibility to amass an army of two hundred million (which China has now said they are able to gather) that will march towards Jerusalem (Rev 9:16; 16:12-16). These are just a few prophecies that I took the time mention, but there are dozens and dozens more being fulfilled and many more to be fulfilled in the near future.

Another reason we have not been able to understand the Book of Revelation in our day using two to five hundred year old theology is that five hundred years ago, it was impossible to imagine an army of two hundred million, yet today not only do we believe it, but we can tell you what nation has that capability. The closer we get to the second coming of Christ, the more understanding of the scriptures we will have. We must realize that the Book of Revelation was written to be understood and fulfilled by this modern generation. As we shall see in a new light, aliens and UFOs can be taught out of the scriptures in 21st century theology, not in five hundred year old manna.

Another reason why the Book of Revelation has not been understood is that the core (the symbolism) of this book not only has been mystified, but also overextended in the number of events.

For example, for centuries we believed that during the last seven years of this dispensation, better known as the Great Tribulation Period, there would be twenty-eight major events. These events are described in the following order: Seven Seals, Seven Trumpets, Seven Angels and Seven Vials. All 28 events are believed to take place during a seven year period, when in reality the first 14 events are the same as the last 14 events. In other words, the Seven seals and the Seven trumpets are the same as the Seven Angels and the Seven Vials. It seems that every time God has given a prophetic vision concerning major events, He has always repeated the vision with a second vision using different details to describe the same vision.

For example, in the Book of Genesis, chapter 37, Joseph receives two different dreams, yet both meant the same thing. In the same book, chapter 41, the Pharaoh also received two different dreams and both had the same meaning

as well. In the book of Daniel, we find God using the same principle as in the Book of Genesis.

In the Book of Daniel, which is an end-time prophetic book, we clearly see this same application. In chapter 2 we have one vision and in chapter 7 we have another, yet they both have the same interpretation. Therefore, we can confidently say there is a possibility of God using the same principle in the Book of Revelation. For example, in Daniel chapter two, the King had a vision. The vision describes a statue, and every part of the statue describes a different kingdom in a historical timeline, yet Daniel received another vision in chapter 7 with different details, but it has the same meaning as the vision of chapter 2. Then in chapter 8, the Lord reveals to Daniel in another vision a clearer understanding of the interpretation of the latter portion of both visions of chapters 2 and 7, and then He also adds chapters 9, 10 and 11 for further explanation.

If God uses the same principle in the Book of Revelation, why would it be so important and what difference would it make?

First of all, if we do not use this principle in the Book of Revelation, we end up having 14 extra events that we will have to try to interpret. For example, if we were to renumber the events starting with the first seal being event number one and the seventh trumpet being event number 14, and the first angel as event number one and the seventh vial as event number 14, and then add Daniel Chapters 8-11 along with Matthew chapter 24, the Book of Revelation does not seem so mysterious or hard to understand.

One point of interest that should be further examined is the last trumpet found in Revelation 10:7:

“But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.”

And chapter 11:15 of the same book describes the same event: “And the seventh angel sounded; and there were great voices in heaven, saying, the kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever.”

“And the seventh angel poured out his vial into the air; and there came a great voice out of the temple of heaven, from the throne, saying, it is done” (Revelation 16:17).

All three verses are event number 14, the last event of the Great Tribulation Period. According to this principle, they are tied to two

more scriptures that describe the same event. We also discover that in I Thessalonians 4:16 and I Corinthians 15:52, both sets of scriptures mention the trumpet, the last trumpet sounding.

“For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:

Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord” (1st Thessalonians 4:16-17).

1st Corinthians 15:52: “In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.”

We would have to wonder if the church is going to be rapture before the Great Tribulation

Period or at the end of it, being that the last trumpet occurs at the end of the tribulation period. Especially if Matthew 25:31 says that when the Son of Man shall come in His glory at the sounding of the last trumpet, gathering the nations and separating the sheep nations to the right and to the left the goat nations.

Let's wait one moment. How can there be sheep nations (nations that have not yielded to the Antichrist government), if we have been taught that the Antichrist will rule the whole world and that everything will come under his dominion? Will the Antichrist really be king of the whole world? I do not think so! There will be nations that will not serve the Antichrist (contrary to traditional teaching) and not be overcome by the influence and tricks of his conspiracy. I believe that applying this double vision principle will allow the church to come into 21st Century

**theology and no longer be in the dark or confused
about the coming world events.**

**ALIENS, UFOS, AND THE
BOOK
OF REVELATION**

ALIENS, UFOS, AND THE BOOK OF REVELATION

In light of what has already been said, now when you read the scriptures, you can understand how the alien and UFO phenomenon can be explained and be accepted as an end-time diabolical plan to deceive the nations. After Satan and the fallen angels were cast out of Heaven, as told to us in Revelation 12, he relocated his head quarters to the lower parts of the earth.

Now let us examine what comes out of the depths of the earth, and I want you to pay special attention to the weird shapes of these beings that are not common to our sight. Yet we have denied that aliens and UFOs exist. And if you are a believer in UFOs and aliens, please understand that no matter how kind these beings may seem or no matter what they may say, know this one thing:

They are satanic, evil and their end is to deceive you and your family.

Revelation 9:1-2 tells us where they come from:

“To him was given the key of the bottomless pit and he open the bottomless pit.”

And verses 3-8 describe their physical description:

“The shapes of the locusts were like ...their faces were as faces of men...they had hair as the hair of women and their teeth were as the teeth of lions...they had breastplates...sound of wings...they had tails.”

If the problem is that aliens are not like us, therefore they must not exist, well look at the weirdness of these beings that could easily disguise themselves into different figures; those who have ministries and do deliverance ministries could testify. Also notice in verse 11 that they

have a king, signifying that they are organized and have some kind of intelligence as well as have names assigned to them.

Also notice in Revelation 9:14 that we again see four angels from the interior of the earth surfacing through open bodies of waters (remember what my friend Filiberto said about the UFOs coming and going through water) and leading an army of horseman as described in verse 17. Beware that both times these aliens are mentioned in scripture, they cause destruction on humanity.

Now the question that may be running around in your mind is: Why is God allowing those beings to torment humanity? Well, one of the responses among several is that you have to understand what Adam did when he committed treason against God and temporarily detoured from God's original plan, as stated in Romans 5:14:

“Nevertheless death reigned from Adam to Moses, even over them that had not sinned after the similitude of Adam’s transgression, who is the figure of him that was to come.”

Most of us know the story of what Adam did at the garden, but what we do not know are the legalities and the consequences that have caused so much human suffering. First of all, Adam was not deceived at the garden; it was Eve that was deceived:

“But I fear, lest by any means, as the serpent beguiled Eve” (II Corinthians 11:3).

What Adam did that was so terrible was that he willingly, intentionally, and legally gave over to Satan what God had given him in a probational period of six thousand years. That is why what Satan offered Jesus in the mount of temptation was legally given to him by Adam.

“And the devil said unto him, all this power will I give thee, and the glory of them: for that is delivered unto me; and to whomsoever I will I give it” (Luke 4:6).

With Satan’s legal battle won over Adam, he also inherited the timeframe of that legality.

Matthew 8:29 states that a demon told Jesus if he had come to torment him before his time.

And again in Revelation 12:12 it says that Satan knows that his time legally given to him, along with the authority and power to rule the earth was short. God could not legally take away from Satan what Adam had legally given. If God did, it would have been illegal and God would then be unjust and unholy. Therefore, Satan has become the legal ruler of the earth and humanity has seen the results of it throughout the centuries, and yet God has been blamed for allowing all this, when in actuality all He did was create the perfect being

in His image with a freewill to choose as he pleased and hopefully choose to follow and obey Him.

But God in His mercy sent His only begotten Son with a plan, “The Plan Of Redemption,” taking a risk that His only Son would be tempted as Adam was and that He could lose Him forever, along with the rest of humanity, in that six thousand year period.

So when Jesus, who was tempted, remained just and blameless and surrendered His life to be put on the Cross as the perfect sacrifice to pay for the sins of the world, even though Satan was just trying to get rid of Him, he did not know that he was putting Jesus on the cross illegally because Jesus had done nothing wrong. Had Satan known the legalities the Bible speaks of in I Corinthians 2:8, he would not have crucified Christ. But he did not know the legalities, and not only was Jesus legally taking back what Adam had given Satan

in the garden, but at the same time the Holy God of the Bible turned His holy wrath of justice on Christ as the punishment of our sins. That is how we have been forgiven and made righteous before God, not on our merits, but on the merits of Christ Jesus.

Now two things remain. First, we need a new body simply because if we were given eternal life in this body, it would be most terrible because this body is under a curse of sin, sickness, fear and everything that is bad to us.

Because of this we must die, so that we can receive a new body and live forever in the bliss of life (and you thought that God was the bad one by allowing us to die after the fall of man). Secondly, we still have a time factor to deal with, the remainder of the six thousand years, to be concluded at the return of Christ. Especially the last seven years known as “The Great Tribulation Period,” when Satan will try to deceive the

multitudes, we must remember that we have more people living in our time than any other time in the history of man put together.

Now back to the Book of Revelation chapter 13:1 and v. 11, a beast rises up out of the sea... and I beheld another beast coming out of the earth. Here we see two different beasts, both given power and authority by Satan; the only difference is that these two beings, along with the False Prophet, are humanoids as described in the Book of Daniel chapter 8 and 11, which my friend Filiberto testified about when he was taken to the lower parts of the earth. Filiberto said he met humans there that mention they were being prepared for a major mission on the earth. I believe that the Antichrist will possibly arrive on earth in a UFO, being revealed openly to the whole world to be seen plainly for the first time in human history. Notice in Revelation 17:8 where the beast ascends from and how he will mesmerize

the world and deceive the multitudes by his appearance.

The beast, “the Antichrist,” will commence his short stay on earth, seven years to be exact. The beast will be worshiped as the God and Savior of the world, promising to bring world peace and he will enforce a new financial system that can only be participated in by receiving the mark of the beast, the number 666 to be placed on the hands or the forehead. An all out war with God’s people, Jews and Christians, will break out about the middle of the Great Tribulation, yet he will not overcome the sheep nations as described in Matthew 25:31-32.

**THE BEAST ARRIVES VIA
UFO**

THE BEAST ARRIVES VIA UFO

The beast, the Antichrist, is not an alien or a supernatural demon and neither does he have any special powers other than the ones of the dragon, Satan, gives him:

“And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, who is like unto the beast? Who is able to make war with him?” (Revelation 13:4).

The Antichrist will move in the miraculous the same way that spiritualist and witchdoctors operate, but in full force. If we study the Book of Saint Luke 4:5-9, we see the devil pull some powerful display of imagery; Jesus (an eternal natural being) is brought up into a high mountain and Satan displays before him all the kingdoms of the world, which is some pretty high tech stuff, especially when it was being done two thousand years ago:

“And the devil, taking him up into a high mountain, shewed unto him all the kingdoms of the world in a moment of time. And he brought him to Jerusalem, and set him on a pinnacle of the temple, and said unto him” (Luke 4: 5 & 9).

He also brings Jesus unto Jerusalem and sets him up on the pinnacle of the temple. That is an awesome display of power, yet that power cannot overcome God’s plan or purpose and that is why we are assured that this phenomenon of UFOs and the manifestation of extraterrestrial beings cannot produce a technology that we are not able to withstand.

The highest form of energy and power involves light and the Bible states that God is light, but it also declares that the devil and his alien forces can transform themselves into angels of light:

“And no marvel; for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works” (II Corinthians 11:14-15).

But how are we to know what is truth and what is not? The answer to that is whatever and whoever can be known by its fruits. We should know them by their fruits, whether they lead to God or not. Sooner or later, true colors are always revealed.

The beast, “the Antichrist,” will imitate everything Jesus is or is to do. For example, he will be born of Jewish descent, or how else will Israel and the Jews receive him as their Messiah? He will be allowed to sit on the throne of their soon-to-be built temple as their King and their High Priest.

He will offer sacrifices until his true colors are revealed, when he offers a pig on the altar, this is known as the “abomination of desolation,” fulfilling the scripture in Daniel 9:27 and Matthew 24:15, as well as calling himself God in the process?

“And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.”

“When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand.”

“Let no man deceive you by any means: for that

day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God” (II Thessalonians 2:3-4).

The Devil always imitates everything that God has done. God has prophets to reveal the future; the Devil has spiritualist and psychics to try to reveal the future. God has healers in the body of Christ; the Devil has healers of his own. God gives the gift of speaking in tongues; the Devil has his own version. God expresses Christianity through denominations and different movements; the Devil influences the invention of false religions. Go to any Satanist and they will tell you that Satan is everything Jesus claims to be. But there is one last imitation that the Antichrist will do that will cause the world to be amazed.

The Bible states in Revelation 11:7 and 17:8 that the beast will ascend out of the bottomless pit:

“And when they shall have finished their testimony, the beast that ascendeth out of the bottomless pit shall make war against them, and shall overcome them and kill them.”

“The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.”

My friend Filiberto Cardenas said in chapter two that when he was taken to the middle of the earth, he was told that the Antichrist was there waiting for the time of his arrival on earth.

How do you think the Antichrist will make his appearance on earth?

Before I tell you how, let me tell you how Jesus is going to make his appearance and then you tell me if the Devil will not try to imitate it as well. In Matthew 24:27 it says that as lightning comes out of “the eastern sky,” Revelation 19:11 says that the heavens will open and behold, Jesus will appear riding on a white horse with his armies following him.

“For as the lightning cometh out of the east, and shineth even unto the west; so shall also the coming of the Son of man be.”

“And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war.”

Also in Acts 1:11, it confirms that in the same manner Jesus was taken into heaven, he would make his appearance.

“And while they looked steadfastly toward heaven as he went up, behold, two men stood by them in white apparel; Which also said, Ye men of Galilee, why stand ye gazing up into heaven. This same Jesus, who is taken up from you into heaven, shall so come in like manner as ye have seen him go into heaven.”

Would it surprise you if the Antichrist makes his appearance in the same fashion, breaking the skies in a UFO with a host of UFOs (commonly called vehicles of lights) behind him flooding the sky, holding the world in total amazement, as he preaches peace until he reveals himself as a cruel and controlling governor of the world that will make Hitler seem like a child? The Bible declares that multitudes will be martyred during his reign, yet many nations will resist him

until Christ returns seven years later as disclosed in Matthew 25:31-32.

Listen to what Nostradamus, the famous 15th century prophet (regardless of what you think of Nostradamus, most of his predictions have come to pass) has to say concerning the Antichrist and his arrival on the world since. This prediction preoccupies most of Nostradamus' scholars to the point of obsession and brings chills to the bones once realized in the light of the subject and is recorded in CX Q72, which reads:

“From the sky will come the king of Terror.”

Notice that he says specifically from the sky came the Antichrist.

Nostradamus once again declares, “Before those events many rare birds (UFOs) will cry in the air, ‘Now! Now!’ And sometime later will vanish.”

Here is a man who could see into the future and describe in his vocabulary the best he could how the Antichrist would make his appearance via UFOs.

There is no doubt that the possibilities of the Antichrist making his appearance via UFO is a reality, first by the scriptures and secondly through other sources, such as Nostradamos, which confirms this possibility, and thirdly by the hints that are being given not only by demonic inspired imaginations through the movie and advertising industries. Finally, by the echoing of thousands of people and hundreds of communities that are experiencing this phenomenon around the world, while our government denies it and covers it up. This cover-up goes along with many of the theories that accuses many secret societies (Trilateral Commission, Club of Rome, Council of Foreign Relations, Illuminati, Bilderberg Meetings, etc.) of this world of designing a One World Order that

happens to be another of Satan's attempt to imitate God's plan of uniting the world under the endless government of Christ. This attempt at a One World Government will be consummated at the appearance of the Antichrist on the world scene.

On the day the Antichrist makes his appearance via UFO, the whole world will come to a stop and will marvel together openly with those who have had a prior encounter with this phenomenon and those who have wanted to believe, such as a part of the Sci-Fi crowd and much of the science community who have chosen to believe in many other things instead of believing in the God of the Bible, who is the creator of heaven and earth. That day the world and its religions will be united in its temptation to believe that there must be other gods in this universe; therefore, they will demand that our Christian doctrines must be updated with this New Age information as it

relates to this phenomenon. Science will also have to reboot itself with all this new information, even though this phenomenon can only have two origins: man acquired technology or demonic inspired manifestations. Historians will also think they have to rewrite history books to include the story of the past for this new revelation.

THE FALSE PROPHET

THE FALSE PROPHET

The Antichrist will be accepted by the world when he arrives with the help of the False Prophet described in the Book of Revelation. The revelation of the False Prophet must first be explained so that certain things will not catch us by surprise as it did the Apostle John in Revelation 17:6-7. When the Apostle saw who the whore was, drunk with the blood of the saints and martyrs, he wondered with great admiration that the angel had to interrupt him and ask why he marveled. The angel proceeded to tell him the mystery of the woman and of the beast that carried her. The reason that he wonders when he looks at the woman was because, apparently, looking at her caused him to wonder whose names were written in the book of life. And it is later confirmed in chapter 18 of the same book when a voice from heaven cries out, “Come out of her my people that you may not partake of her sins.”

To mention her by name is to reveal who the False Prophet is and to mention the False Prophet will upset many, so therefore before I mention either one, let me take you to the beginning of man's history so we can discover how the different religions have developed, hopefully giving you a greater understanding on this subject so that neither you will get mad or be surprised.

In this case the False Prophet is responsible for giving the witness and acceptance of the Antichrist, allowing the people to drop their suspicions and be taken in by the works of the Antichrist. We must remember the function of prophets and realize that they always function in the same manner, and that is to prepare the way for things to come, so that when it happens the people will not be hesitant. Much in the same way before Christ appeared, who had been prophesized for centuries, John the Baptist was

sent to prepare His way and introduce Him to the world. So it shall be with this False Prophet from the book of Revelation, where the Antichrist has been prophesied for centuries and now the world expects his entry.

The difference is that this prophet will introduce the Antichrist as the Christ or Savior, therefore making him a false prophet. I believe without the False Prophet's help, the Antichrist would not be as effective in the short time that he has because the multitudes need to trust him and have faith in him.

The False Prophet leads a multitude of humanity and a religion that has deceived many of the inhabitants of the earth, even throughout the history of man. The Bible calls this religion that the False Prophet leads "Mystery Babylon, the Mother of Harlots and Abominations of the earth" (Revelation 17:5).

In other words, out of this religion all the other false religions of the world have come. Understanding this chapter is very important because out of this Mystery Babylon, the most powerful religion known to us today has developed and that is why the Apostle John marveled after recognizing who she was, what she believed, and how much influence she has. Politically as well as spiritually, this religion is respected by all the nations of the world and it will be out of her blessings that the Antichrist will succeed. This is not to say that if you belong to this religion you are not and cannot be saved, but because of its final apostasy, God is commanding His people to come out of her. I want to make it clear that you can be a member of the church I go to and still go to hell, but it does not change the fact that there will be a great apostasy in the latter days of this religion and this woman, along with her harlots, will go into perdition.

The overall details of these recorded mysterious historical events and facts can be found in many

books, but it is described in a simple, yet profound way in a book titled *God's Plan for Man* by Finis Jennings Dake. I will explain the gist of the story in a nutshell.

Before Genesis chapter 11, the only and true religion known to man was that of knowing God (John 17:3). But because of sin, the image of God was lost and it was only when Jesus appeared that the image of God was restored.

But in Genesis chapter 11, in the land of Shinar (Iraq), the first rebellion against God after the flood of Noah took place. Under the leadership of a great warrior named Nimrod (Gen 10:9), who gathered the people to make a city and a tower that would reach heaven and make a name for themselves, totally rejecting God's commandment to inhabit the earth. In those days there was only one language and because of their rebellion, God came down, confused their tongue and gave them many tongues, causing them to

form many peoples and many nations. God called this place Babel; this is where we get the name Babylon. This is the place where all false religions were born and earn the reputation of being the mother of all harlots, including the eastern religions and every other superstition that man has invented.

Apparently we thought that God was angry because they had not obeyed his commandment to inhabit the earth, but the true sin of that city was that they formulated several doctrines of their own concerning religion and decided to build a bridge to heaven and become like God.

It sounds like it was Satan inspired to me because Lucifer tried the same thing sometime earlier (Isaiah 14:12-18). The name of this religion with all its original ideas was called Babylon.

Because of this falling away, the knowledge of God started to disappear from the minds of men. Therefore, God raised a nation to keep His

knowledge and pass on that knowledge from generation to generation until all that God had promised had been fulfilled. The man that God choose to do this through is called Abraham, the father of the Jewish nation, who was committed the oracles of God (Romans 3:1-2). Now we have two major beliefs, the Babylonian religion, with its developing branches of different doctrines, and Judaism, the keepers of the Law (the Law is the shadow of the good things to come).

Before I can continue, I must tell you about one of the predominant figures in the Babylonian religion that had its headquarters in Babel and later on transferred its power to the city of Pergamos (Revelation 2:12). And with the destruction of Pergamos, yet another transfer took place after the death and resurrection of Jesus to a city called Rome. The main object of worship in this religion was a goddess carrying her infant child in her arms and better known in the days of Jeremiah, the prophet, as “the Queen

of Heaven.” Jeremiah accused the Jews of abandoning their faith in Jehovah and worshipping this figure as found in the book of Jeremiah chapters 7:18 and 44:17-25. When God scattered the people in Genesis 11 at the tower of Babel, the people were already worshipping the Queen of Heaven, but when the people were scattered around the world, she took on different names.

In Cuba she is worshipped as La Caridad del Cobre, in Mexico as The Virgin of Guadalupe, in China as Shine Moon, in Egypt as Isis, in Poland as the Black Madonna, and in Europe the Virgin of Fatima. All these figures that were worshiped all had a lady carrying a baby boy on her arms, later to be known as Mary carrying our Lord Jesus.

The Jews had been promised a Savior, but when He was born in a stable born of a virgin, the Jews did not receive Him, even though He had

fulfilled every prophecy spoken by the Jewish prophets throughout the centuries. The appearance of the Son of God on Earth and His fulfilling every promise given to the Jews temporarily stopped the prophetic clock on the nation until its rebirth two thousand years later. The person of Christ gave back to humanity the revelation of God through His Son Jesus and this religion is now known as Christianity. Now we have three major religions and a fourth one on the way.

So now we have Christianity, Judaism and Babylon and its harlots during the three hundred years. Plus, after the resurrection of Christ, the fourth major religion was brewing and preparing to give birth under some awkward circumstances. The Roman Empire with its capital in Rome is where it now had the Babylon religion as its headquarters. It was this religion that had all the political influence in the known Roman Empire. This empire had been persecuting Christians for

several centuries before the Emperor Constantine had a religious experience. Constantine had a vision, seeing a cross in the sky, and he became a believer, and he immediately reversed the persecution of Christians, giving them favor and allowing them to flourish throughout the empire. We must take note that the Roman Emperor was not only the political head of the empire, but he was also the head of the Babylonian religious order.

The Christian Church in Rome was under the direction of Bishop Damascus, but in 366 A.D., through the influence of the monks of Mount Carmel, a College of the Babylon religious order, founded by the Priest of Jezebel, convinced the Bishop of the Christian Church in Rome to take up the office and title of Supreme Pontiff, joining together the Babylonian religion with Christianity and eventually evolving to what we know today as “Roman Catholicism.” Yes, Catholicism is a mixture of the Babylon religion

and Christianity truths. That is why the Apostle John marveled when he saw the woman of Babylon and wondered whose names were written in the Book of Life, and that is why the voice from heaven cried out for His people to come out of her. Please do not take this revelation as something that I made up or that I learned from someone else, but study history, even church history, to see if this is not so.

This does not mean that Catholics can not be saved; it just means that there is coming a time when they will have to get out because the time is near when the Catholic Church will not just present half-truths and a lot of ceremonies (even though there is a great move of God within the Roman Catholic Church, especially among their charismatic groups). Yes, even they will have to come out (Revelation 18) because there will come a time when the Pope will accept and introduce and work with the Antichrist, as we shall see at the end of this chapter.

Now we have four major religions, the Babylonian and its harlots, Judaism, Christianity and Roman Catholicism (a mixture of Babylonian and Christianity) and more on the way. It was several centuries later when there was a major split in the Roman Catholic Church, and out of it came the birth of the Christian Orthodox Church.

This birth brought the twins of the Greek and Russian branches. Right about the same time, things got so bad in the Catholic Church because of the wickedness of the Popes, and the word of God had been taken from the common people. So much so that people lived in fear and in superstition. A young Christian Catholic man was so disappointed with Catholicism, “the only form of Christianity,” that he started to fast and pray to seek answers, but often complained of hearing strange voices and at times he feared he was demon possessed. Yet encouraged by those around him to follow the voices, the birth of

“Islam” came. By the turn of the first millennium the world had six major religions.

It was the 1500s and the world was in the Dark Ages due to the failure of religion, when a young German Catholic priest by the name of Martin Luther rebelled against the Roman Catholic Church in Rome and his followers became known as the Lutherans.

The birth of this denomination was a move of God, which is known as “The Protestant Movement,” (protesting against Rome and the Catholic Church).

Along with it came “The Great Reformation” and revival spread throughout Europe for the next few centuries. Each revival would birth a new Christian denomination and every denomination would introduce a great movement. For example, the Anabaptist, which today is known as the Baptist denomination, and the Quakers, the

Methodist, the Presbreytians and many other great denominations that God has sent in the last centuries, including the great revivals of the 20th centuries that gave birth to denominations such as the Assemblies of God, Church of God, Nazarenes, Church of Christ. These moves continue to produce many more denominations and movements all over the world. As a side note, many false cults have spinned off these Christian moves, such as the Jehovah Witness, the Moonies, and the Mormons just to name a few.

But the Bible declares that in the latter days there will be a great apostasy, a falling away by Catholics, Protestants, and Evangelicals, who will turn their backs on Christ and His word (II Thessalonians 2:3), therefore preparing the way for the Antichrist. Interestingly enough, an archbishop from Ireland in 1139 A.D., better known as Saint Malachi, predicted that there would be only 112 Popes after Pope Celestino the 2nd, who died in 1146 A.D., who would bring an

end to this church age and the 112th pope would be an apostate pope. John Paul the Second was pope 110 and Pope Benedict the 16 is the 111. Saint Malachi also predicted that the 112 Pope would dare to be the first Pope in Roman Catholic history to assume the name of Peter. This last Pope will choose to be called Peter the Roman and according to the prediction, he will be an apostate Pope defying all the teachings of Christ and of the Bible. Pope Peter the Roman will unite all the religions of the world, helping to establish the One World Order under the leadership of the Antichrist.

An apostate One World Order under the leadership of the Antichrist and its apostate One World Religion will lead the great multitudes of people to perdition in the last moments of this dispensation. It is interesting that the European Common Market founded in 1957 or the new oil rich Arab Nations Network could be the formed allegiances that are spoken about in the book of

Revelation (10 horns) and in the book of Daniel (10 toes).

Another interesting fact is that there are only two cities in the world known as the city among seven hills, spoken about in the book of Revelation, which said that out of this city (Babylon) the world will be ruled. These two cities are Rome and Jerusalem.

“The seven heads are the seven mountains on which the woman sitteth” (Revelation 17:9).

Remember that everything God does the Devil imitates, Jerusalem a city that sits among seven hills, is to be the future Capital of Christ where He will set up His throne to rule from. But the Devil has his own version, Rome, a city that sits among seven hills in which he has ruled the world politically and religiously for centuries. Interesting enough, the Antichrist will destroy Rome and Roman Catholicism (Revelation 17:17)

after he has been received by the Jews as their Messiah, and sets his temporary throne in Jerusalem until he breaks his covenant with the Jews and attempts to destroy them along with Jerusalem.

One last interesting thought concerning this subject is there is one more city and people that will be affected during this time. Before I mention this city and people, allow me to make a statement that is true and applicable to this final thought: “All truth runs parallel, natural and spiritual.” What I mean by that is just like we need water to survive, we need the water of the word of God to exist.

Without sunlight, we could not live, so needless to say without the revelation of Jesus the Son, humanity could not survive. The closer we get to the return of Christ, the faster things are getting, such as cars, planes and the introduction of knowledge. So it is with spiritual things, the

amount and quickness of the revelation of the knowledge of Christ that is being introduced from the spiritual realm into the church is amazing among many other things. We could go on and on, giving examples of this statement I've made, but I said all this to say the following.

Just as Jerusalem was the place where most of the Word of God was inspired and also home to God's people, yet the Holy Spirit calls Jerusalem (the natural) in the book of Revelation chapter 11 verse 8, "The great city which is spiritually called Sodom and Egypt where our Lord was crucified." How could it be that God calls Jerusalem such unholy names and confirms what He calls her by judging and destroying her? Why would He say and do that?

Because Jerusalem, its priests, and its people had known the truth (the Law, which is "the shadow of the things to come," and Christ, who is the fulfillment of the Law) and have turned away from it.

The great city of Rome also has the natural and spiritual implications. Follow me and you will see what I mean. In the 17th chapter of the Book of Revelation, Rome and its mixture of religions (Babylonism with its many superstitions and false doctrines mixed with Christian truths), along with its great political empire that covered most of the known world, also helped facilitate Roman Catholicism, which has influenced the governments of the world throughout the centuries. This religion and political organization that has its base in the great and powerful city of Rome is drunk with the blood of the martyrs of Jesus.

Therefore, this great city that is host to this great religion will both be judged and destroyed according to the Book of Revelation, chapter 17:17, like its contemporary was, Jerusalem and Judaism.

But here is the biggest surprise of all. There is another great city that has had a great influence on modern society which faces a doomed future and also has the natural and spiritual parallels. This city represents more than just a city, but also an entire nation as well what most of the world is or wants to be. What made this city (nation) great was what she believed, her values, and her determination for freedom. This city was founded on the truths revealed in the Bible and her belief in Jesus Christ. Not only is there a church on every corner of her streets, but she was also responsible for almost all the worldwide evangelism efforts in modern times.

She at one time valued what was good, decent, and wholesome, and her freedoms were based on the fear of God, not on a sinner's perverted desires. People all over the world wanted to come to her because God had blessed and prospered her. But now she hates what made her great and

there is no country in the world, including what she once considered to be heathen, that has as much violence, divorce, sexual perversion, abortion, murder, addictions of all kinds and the list goes on despite her great religiosity. What Jerusalem was to Judaism is what the United States was to Christianity. That's right; the United States is in grave trouble. All you have to do is read the book of Isaiah, Jeremiah, and Ezekiel, and you will understand why.

The Book of Revelation, chapter 18, describes the destruction of this great city (nation). The Antichrist will be able to deal harshly with Israel because the Israel-allied United States will have been terribly disabled by the wrath of God.

In conclusion, without the blessing of the most powerful political and spiritual person on the face of the Earth, the Pope, the Antichrist will not be accepted on friendly terms. That is why when the Apostle John saw who it was that was

riding the beast in Revelation 17, he was amazed and wondered whose name was not written in the book of life (Revelation 17:8) because it is impossible to be a Christian and part of this end-time apostasy and be eternally saved, so therefore, “Come out of her My people.”

MILLIONS WILL BE TAKEN
(The Counterfeit Rapture)

MILLIONS WILL BE TAKEN

(The Counterfeit Rapture)

Special note: this chapter will only apply if the pre-tribulation rapture theory is the theory that will take place.

“Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God” (II Thessalonians 2:3, 4).

A portion of the church is already participating in the falling away. Major denominations are ordaining homosexuals, denying the power of the blood of Christ, and they are not accepting the Bible as the inspired Word of God.

Many do not believe in the second coming of Christ, as well as there are so many that are caught up in materialism and have become lukewarm, having a form of godliness but denying the power thereof. These spiritual conditions and the appearance of the Antichrist will trigger a mind-boggling event called the Rapture (I Corinthians 15; 51-54 and I Thessalonians 4:15-17). This event will cause all Bible believing Christians to be taken up to Heaven, making way for the seven years of great tribulation. (This is the pre-tribulation theory, meaning the church will not go through any part of the tribulation. There is also the mid-tribulation theory and the post-tribulation theory. In any event, the church will be raptured.) These times are described in the Bible as times that have never before and never again will be experienced by man in history.

The Bible describes the Rapture in the Book of Mathew, chapter 24:39: “And knew not until the flood came, and took them all away; so shall also the coming of the Son of man be.”

“Then shall two be in the field; the one shall be taken, and the other left. Two women shall be grinding at the mill; the one shall be taken, and the other left.”

All the nations of the world will experience the disappearance of millions of Christians in one moment of time. Their disappearance will have an enormous effect all over the world. Disasters of all sorts would take place as Christians are taken up, leaving all kinds of mechanical machines operating on their own, economic chaos, and in most nations’ social upheaval caused by the void left due to so many Christians taken up. Not to mention the great bewilderment as to where all those millions and millions of people went. For the World to admit that the

Bible is true and that the things it has predicted are true would mean that all the other things spoken in the Bible are true, therefore bringing conviction of sins. The Antichrist, along with many leaders of the nations, will explain away the rapture as an UFO recovery of Christians that did not want to be part of the New World Order.

In South America where there is a UFO revival and a great awareness of that sort among the people, they are reported to have already made contact with aliens and are saying that these aliens are coming to take millions of people away in UFOs. Therefore, this will give a logical explanation for the disappearance of millions and not give basis to the Bible, especially since the Antichrist has already supposedly arrived in a UFO and the world had seen and accepted it. What can be more logical than that?

The disappearance of God's people around the world will cause an end-time revival of evil since

the Spirit of God that dwelt in the believers helped to hold back the tide of evil is now gone. This will give way for evil to reign in full force. The Bible states that multitudes from every nation, tribe, and tongue shall convert to Christianity in this seven year period; however, many multitudes shall also be beheaded for not taking the Mark of the Beast or his number (666) on the forehead or on their hands.

The world will not recover from this void caused by the disappearance of Christians and all the other plagues and events that shall come upon the face of the Earth during this period. The world will recover only after Christ returns and establishes the eternal divine order.

If the Rapture does not take place before the Great Tribulation Period and the church goes through the Tribulation, the possibility exists that millions around the world who have been mesmerized by the Antichrist and his display of

power and the open revelation of UFOs will be taken up for joy rides. It will be like the icing on the cake or like sealing the deal. One ride on one of these UFOs and people around the globe from all nationalities will become believers and servants of the Antichrist, “The Great Deceiver.”

THE CONCLUSION

THE CONCLUSION

Now that you read the book and the theory of *The Antichrist is coming via UFO*, I believe this to be Twenty First Century Theology that could have not been understood by past generations because of the lack of technological advances that made it impossible to imagine previously before. *The Antichrist is coming via UFO* is a theory, but we who are of this generation can understand the possibilities of this theory becoming a reality. The basic doctrine of the Antichrist, the Great Tribulation, the Rapture and the Second coming of Christ are not theories, but doctrines that cannot be compromised. These events were prophesied, spoken by holy men of God as they were moved and inspired by the Holy Ghost.

These events have been prophesied to happen and will manifest; no matter which way we believe, they will come. As these written truths come

nearer, we who are looking and searching will get a better glimpse of the details and their fulfillment.

Therefore, what we now believe and how these events are fulfilled remains a theory.

The only thing left to deal with now is the condition of your soul. Where will you go if you were to die this very moment? There are only two places that you could go to, not four. There is Hell that the Bible so graphically describes, and there is Heaven, which is promised to those who love God and believe in the redemptive work of Jesus Christ. The third that is commonly believed among non-Christians is reincarnation, which means that when you die you will come back from another life until you died enough times to have perfected yourself. This teaching is totally contrary to Bible doctrine.

Fourthly and finally, there are those who believe

that when you die, you cease to exist forever and that life was only meant for this moment. This belief is also erroneous; in truth the moment you were conceived you became an eternal being.

There are two places that one goes to after death, and that is Heaven or Hell. We must remember that God never sends anyone to Hell; we choose to go there.

Jesus said unless a man is born again he cannot see or enter the kingdom of heaven:

“Jesus answered, verily, verily, I say unto thee, except a man be born again, he cannot see the kingdom of Heaven” (John 3:5).

What did Jesus mean by saying you must be born again and how do we become born again? First of all, we must understand that we were all born sinners; therefore our sins separated us from God

and also caused us to be spiritually dead. This means we can't see God, neither can we hear Him, nor experience Him.

Understanding that just as the body operates by communicating the things of this natural world to the soul, "the real you," through the five senses of taste, sight, hearing, smell and feeling is also how the spirit relates to the soul, "the real you," in the spiritual world. When you accept the redemptive work of Christ, His blood cleanses you of all of your sins, causing your spirit to be born again and allowing you to come into God's presence and experience Him and His eternal life.

Eternal salvation is obtained only by grace through faith in the redemptive work of Christ, Who became the sacrificial Lamb of God and tasted death for us all. All we have to do is accept what He has done for us and confess Him as Lord with our mouth and with our heart believe by faith that He was raised from the dead, and then

we shall be saved (Romans 10:9-10).

The next step is to grow up spiritually, as now we are spiritual babes. Spiritual growth is a process and is developed by a continued diet of the word of God that is received by personal bible study and involvement in a Bible believing and preaching church. A devotional life of prayer and worship brings you to know God, and in the process you will discover God's calling for your life, bringing purpose and fulfillment.

This is a faith walk, and without faith it is impossible to please Him, for who comes to God must believe that He is and that He is a rewarder of them that diligently seek Him (Hebrews 11:6).

If you desire to be saved, pray this prayer by faith with a sincere heart. Say, "Lord Jesus, with my mouth I confess you as my Lord, and with my heart by faith, I believe that you were raised

from the dead.

I recognize that I am a sinner and that I have offended you; therefore, I repent of my sins and I acknowledge my need for you. I invite you to come and live inside of me and by faith; I receive forgiveness for all of my sins. I receive you into my heart.

Holy Spirit, come live inside of me and lead me. Teach me about Jesus and His will for my life. By faith, I receive eternal life. Thank you, Jesus, for saving my soul. Amen and Amen.”

Now that you have received salvation by faith, tell someone what you have done and pray to see what Bible believing church you are to attend. Go to your local bookstore and buy a Bible and enter this eternal journey that will last forever.

Write to me and share with me your experience.

God bless you.

ETERNAL SALVATION

ETERNAL SALVATION

“That in the ages to come God might show the exceeding riches of His grace in His kindness toward us through Christ Jesus” (Ephesians 2:7).

Eternity is going to be a never-ending revelation of God’s love, will and purpose. The eternal salvation that God has provided for us seems more like a fairy tale story; the one that reads like this, “They lived happily ever after,” except it will never, ever end.” There are no words to describe this eternal event. It is incomparable, indescribable, and simply matchless! If we really understood this masterpiece that God has prepared for us, we will be fools to deny such a gift. When you see eternity through the eyes of God, you will be amazed. One day is as a thousand years and a thousand years as a day, meaning 40 years on this side eternity is but one hour on God’s clock. Eighty years is two hours

and a speck of dust in comparison to eternity.

It's like being offered one hundred thousand dollars now, or if you wait in faith, one hundred trillion dollars. Which one would you choose, one hundred thousand dollars (one hour), or one hundred trillion dollars (endless life)?

When Jesus restored us to our proper place in creation, He also restored to us eternity. Eternity is God's gift to us for simply choosing to love Him by faith without seeing Him. So, therefore, now it will take eternity to reveal Himself and His ways to us. This eternal masterpiece will be displayed to us as we enjoy life in its abundance. As co-heirs with Jesus, we are entitled to the very best that our Eternal Father has created in His infinite power.

There are many things about how we will live in eternity that is not how we have heard or believe it will be.

For example, we have this idea that eternity will be onebig long church service, or maybe what others have traditionally thought, that we will float in the sky playing a harp. Others think we simply cease to exist. But in reality, eternity will be lived out like we live today, but without a devil to tempt us and deceive us, as well as a new body that is no longer subject to sin, death, weakness, and lack.

Also, we will enjoy life with all the pleasures that we have now; there will be entertainment, sports, food, clothing, etc. Even in eternity we will hold down a job as kings and priests doing the work of the ministry throughout the vast universe.
